These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. COAL AND WOOD

BY ELEVATING THE QUALITY of our coal we lower the price in economy of consumption. Consumers will find that it is cheaper to use our high grade Lee Coal, that has been screened and freed from slate and stone, than that of an inferior grade. It gives more heat, less ashes and burns longer than any other coal, and our prices are as low as any. Coal and Wood under cover. J. R. ZIMMERMAN, Foot of Queen street : Alexandria, Va.
